

# Anastasia Mosquito Control offers Public Schools teaching units

We offer state standards compliant teaching units for  
Elementary, Middle, and High School!

## DETAILS:

Offered K-12, all year

Suitable for Science  
Testing prep

Uses mosquitoes to  
teach biology,  
chemistry, and physics  
concepts

Available for other  
events including career  
fairs, expos, science  
fairs, family science  
nights, and more!

Units are taught by our *Education Specialist*  
and assisting mosquito control personnel.
