- The District considers response to this RFP by competing firms as purely voluntary, and is under no financial obligation to said firms for the contents of their Proposal.
- The District assumes no liability for disclosure or use of any information or materials submitted in response to this RFP for any purpose, and considers that all Proposals are not submitted in confidence and are, therefore, releasable under any applicable Public Records Laws and the Freedom of Information Act, and also assumes no liability for compensation in any form relative to any firm's submittal. As such, the substance of proposals will carry more weight than their form or manner of presentation. The technical proposal should demonstrate the qualifications of the firm and of the particular staff to be assigned to this engagement. It should also specify an audit approach that will meet this RFP's requirements.

The technical proposal should address all the points outlined in this RFP. The proposal should

be prepared simply and economically, providing a straightforward, concise description of the proposer's capabilities to satisfy the requirements of this RFP. While additional data may be included, the following items are the prime criteria against which the proposals will be evaluated.

FIRM EXPERIENCE / CAPABILITY: In this section, the proposal should state the size of the firm, the size of the firm's governmental audit staff, the location of the office from which the work on this engagement is to be performed, the number and nature of the professional staff to be employed in this engagement on a full-time basis and the number and nature of the staff to be so employed on a part-time basis.

The firm should provide as much information as possible regarding the number, qualifications, experience and training, including relevant continuing professional education, of the specific staff to be assigned to this engagement. The firm also should indicate how the quality of staff over the term of the agreement would be assured.

Provide a list of your firm's work experience dealing with local government, special districts and, if any, mosquito control districts.

The firm shall also provide information on the results of any federal or state desk reviews or field reviews of its audits during the past three (3) years. In addition, the firm shall provide information on the circumstances and status of any disciplinary action taken or pending against the firm during the three (3) years with state regulatory bodies or professional organizations.

REFERENCES: (Similar Engagements with Other Government Entities) For the firm's office that will be assigned responsibility for the audit, list the most significant engagements (maximum

of 5) performed in the last five years that are similar to the engagement described in this request for proposals. These engagements should be ranked on the basis of total staff hours. Indicate the scope of work, date, engagement partners, total hours, and the name and telephone number of the principal client contact.

PEER REVIEW: A copy of the firm's most recent two (2) external quality control reviews (peer reviews), which included a review of specific governmental engagements, must be provided in the proposal.

COST SHEET: (Fees) The Proposal should include a total fee set based upon the District issuing an annual financial report in accordance with the Rules of the Florida Auditor General for the Period of Audit, October 1, 2022 through September 30, 2023. The total fee shall contain all direct and indirect costs, including all out-of-pocket expenses, for the year of Audit.

The District will make the award to the responsible and responsive Proposer whose proposal is determined in writing to be the most advantageous to the District, taking into consideration price and the evaluation factors set forth in this Request For Proposals. Review of submittal will use a ranking form (attached).

The District reserves the right to reject any or all proposals, in whole or in part, and to delete items prior to making the award whenever it is deemed in the sole opinion of the District to be in its best interest.

Following the selection of a Proposer and the signing of a contract, the CFO will notify those Proposers whose proposals are not selected and of the name of the selected Proposer.

The proposal submitted by the selected Proposer and this RFP shall become attachments to the contract signed by the District and the selected Proposer. Price quotations and the time-dependent information contained in proposals should be valid for 90 days from the closing date of this RFP. The District may undertake negotiations with Proposers whose proposals show them to be qualified, responsible and capable of performing the work in accordance with the stated criteria. The District shall not be liable for any costs incurred by Proposers in connection with the preparation or submission of proposals and related materials or negotiations.

Upon notice of the award of a contract pursuant to this RFP, the successful Proposer shall sign the final contract document upon receipt thereof from the Finance Department, and furnish the insurance documents required by the terms of this Request For Proposals. The District reserves the right to extend the contract for additional fiscal year periods, providing all terms, conditions, and specifications remain the same or, both parties agree to the extension, and such extensions are approved by the District.
