If in any suit or proceeding, the Services, or any product generated by the Services, is held to constitute an infringement and its use is permanently enjoined, the Indemnifying Party shall, immediately, make every reasonable effort to secure within sixty (60) days, for the Indemnified Parties, a license, authorizing the continued use of the Service or product. If the Indemnifying Party fails to secure such a license for the Indemnified Parties, then the Indemnifying Party shall replace the Service or product with a non-infringing Service or product or modify such Service or product in a way satisfactory to the District, so that the Service or product is non-infringing.

If an Indemnified Party exercises its right under this Agreement, the Indemnified Party will (1) provide reasonable notice to the Indemnifying Party of the applicable claim or liability, and (2) allow Indemnifying Party, at its own expense, to participate in the litigation of such claim or liability to protect its interests. **The scope and terms of the indemnity obligations herein described are separate and apart from, and shall not be limited by, any insurance provided pursuant to the Agreement or otherwise. Such terms of indemnity shall survive the expiration or termination of the Agreement.**

In the event that any portion of the scope or terms of this indemnity is in derogation of Section 725.06 or 725.08 of the Florida Statutes, all other terms of this indemnity shall remain in full force and effect. Insurance and Indemnification Requirements

[Insert Insurance and Indemnification from RFP Requirements]

Exhibit E

Additional Required Contract Provisions

E.1. Provision of Services. Contractor shall provide Buyer with all of the agreed upon services and deliverables described in this Agreement (collectively, the “Services”). If any services, functions or responsibilities are not specifically described in this Agreement but are necessary for the proper performance and provision of the Services, they shall be deemed to be implied by and included within the scope of the Services to the same extent and in the same manner as if specifically described herein.

E.2. Relationship of the Parties. In performance of the Services, Contractor shall be acting in the capacity of an independent contractor and not as an agent, employee, partner, joint venture or associate of Buyer. Contractor shall be solely responsible for the labor, supplies, materials, means, methods, techniques, sequences and procedures utilized to perform the Services in accordance with the Contract.

E.3. Buyer’s Right to Make Changes. Buyer may unilaterally require, by written order, changes altering, adding to, or deducting from the Services (“Changes”), provided that such Changes are within the general scope of the Contract. Buyer will make an equitable adjustment in the Contract price or delivery date if the Change materially affects the cost or time of performance. Such equitable adjustments require the written consent of Contractor, which shall not be unreasonably withheld. The Parties will cooperate with each other in good faith in discussing the scope and nature of the Change, the availability of Contractor personnel, the expertise and resources to provide such Change, and the time period in which such Change will be implemented.

E.4. Service Warranties. Contractor warrants that the Services shall be performed and delivered in a professional, first-class manner in accordance with the Contract and the standards prevailing in the industry.

E.5. Buyer Will Assist Contractor. At Contractor’s request, Buyer will provide reasonable assistance and cooperation to Contractor, including the supply of any data and information necessary for Contractor to provide the Services. Buyer will also designate a Contract Manager who will, on behalf of Buyer, work with Contractor and administer the Contract in accordance with its terms.

E.6. Location Requirements for Services. The majority of the Services shall be performed in the State of Florida, including the City of Tallahassee and St. Johns County. No Services will be performed outside of the United States. When requested, Contractor will provide services on-site at the District offices. These restrictions may be modified in writing if Buyer determines, in its sole discretion, that the restrictions impose an undue burden on Contractor’s ability to perform the Services as contemplated in the Contract.

E.7. Use of Subcontractors; Flow-Down Provisions. Except to the extent the use of subcontractors is consented to in writing by Buyer, Contractor shall not be allowed to subcontract or assign any of its duties and obligations hereunder.

E.8. Meetings and Reports. Contractor must attend all meetings and public hearings relative to the Services where its presence is determined to be necessary and requested by Buyer and Contractor can reasonably schedule its appearance. Contractor shall provide other periodic reports respecting the Services as Buyer reasonably requests.

E.9. Ownership of Works.

(a) As used in Sections E.9 and E.10, the term "Work" shall mean each deliverable, drawing, design, specification, rendering, notebook, tracing, photograph, reference book, equipment, expendable equipment and material, negative, report, finding, recommendation, data and memorandum of every description, shared with or delivered to Buyer pursuant to the Contract.

(b) With the exception of Contractor's pre-existing intellectual capital and third-party intellectual capital as described in Section E.10 below, Buyer shall own all right, title and interest, including ownership of copyright (limited to the extent permitted by the terms of any governing licenses), in and to each Work including, but not limited to, software, source code, reports, deliverable, or work product developed by Contractor specifically for Buyer in connection with the Contract, and derivative works relating to the foregoing. The use of these Works in any manner by Buyer shall not support any claim by Contractor for additional compensation.

(c) Each Work, and any portion thereof, shall be a "work made for hire" for Buyer pursuant to federal copyright laws. Any software, report, deliverable, or work product as used in connection with the Work, but previously developed by Contractor specifically for other customers of Contractor or for the purpose of providing substantially similar services to other Contractor customers, generally shall not be considered "work made for hire", so long as the foregoing are not first conceived or reduced to practice as part of the Work. To the extent any of the Works are not deemed works made for hire by operation of law, Contractor hereby irrevocably assigns, transfers, and conveys to Buyer, or its designee, without further consideration all of its right, title and interest in such Work, including all rights of patent, copyright, trade secret, trademark or other proprietary rights in such materials. Except as provided in the foregoing sentences, Contractor acknowledges that Buyer shall have the right to obtain and hold in its own name any intellectual property right in and to the Work. Contractor agrees to execute any documents or take any other actions as may reasonably be necessary, or as Buyer may reasonably request, to perfect or evidence Buyer's ownership of the Work.

E.10. Intellectual Property.

(a) Contractor grants to Buyer an irrevocable, perpetual, royalty free and fully paid-up right to use (and such right includes, without limitation, a right to copy, modify and create derivative works from the subject matter of the grant and the right to sublicense all, or any portion of, the foregoing rights to an affiliate or a third party who provides service to Buyer) Contractor's intellectual property (including, without limitation, all trade secrets, patents, copyright and know-how) that is contained or embedded in, required for the use of, that was used in the production of or is required for the reproduction, modification, maintenance, servicing, improvement or continued operation of any applicable unit of Work.

(b) If the Work contains, has embedded in, or requires for the use of, any third-party intellectual property, or if the third party intellectual property is required for the reproduction, modification, maintenance, servicing, improvement or continued operation of the Work, Contractor shall secure for Buyer an irrevocable, perpetual, royalty free and fully paid-up right to use all third party intellectual property. Contractor shall secure such right at its expense and prior to incorporating any third party intellectual property (including, without limitation, all trade secrets, patents, copyright and know-how) into any Work, including, without limitation, all drawings or data provided under the Contract, and such right must include, without limitation, a right to copy, modify and create derivative works from the subject matter of the grant of the right and a right to sublicense all or any portion of the foregoing rights to an

affiliate or a third party service provider. This subparagraph does not apply to standard office software (e.g., Microsoft Office).

(c) Should Buyer, or any third party obtaining such Work through Buyer, use the Work or any part thereof for any purpose other than that which is specified in the Contract, it shall be at Buyer's and such third party's sole risk.

E.11. Software Development Processes and Standards. To the extent any software is developed, modified, or otherwise procured under the Contract, Contractor will use commercially accepted software development and documentation processes and standards.

E.12. Limitation of Warranty for Buyer-Furnished Software. In lieu of any other warranty expressed or implied herein Buyer warrants that any programming aids and software packages supplied for Contractor use as Buyer-furnished property shall be suitable for their intended use on the system(s) for which designed. In the case of programming aids and software packages acquired by Buyer from a commercial source, such warranty is limited to that set forth in the contractual document covering the product(s). Should Buyer furnish Contractor with any programming aids or software packages that are found not to be suitable for their intended use on the system(s) for which designed, Contractor shall notify Buyer and supply documentation regarding any defects and their effect on progress on the Contract. Buyer will consider equitably adjusting the delivery performance dates or compensation, or both, and any other contractual provision affected by the Buyer-furnished property in accordance with the procedures provided for in Section E.3 above ("Buyer's Right to Make Changes").

E.13. Loss of Data. If any Buyer data or record is lost or corrupted due to the negligence of Contractor or any of its subcontractors or agents, Contractor shall be responsible for correcting and recreating all production, test, acceptance and training files or databases affected which are used in the provision of services, at no additional cost to the Customer in the manner and on the schedule set by Buyer. This remedy shall be in addition to any other remedy Buyer may be entitled to by law or the Contract.

E.14. Invoicing and Payment.

(a) Payment to Contractor for Services shall be made on a monthly basis for the Services provided by Contractor for the preceding month. Invoices shall contain the Contract number, purchase order number if applicable, and the appropriate vendor identification number. Buyer may require any other information from Contractor that Buyer deems necessary to verify its obligation to pay under the Contract. Payments will be made to Contractor approximately forty-five (45) days after receipt and acceptance of a proper invoice. Buyer does not pay service charges, interest or late fees unless required by law.

(b) To the extent Contractor's fees include reimbursement for travel or travel-related expenses, such travel and travel-related expenses shall be subject to and governed by the District's approved travel policy and applicable Florida laws.

(c) Buyer's obligations to make payment are contingent upon availability of lawfully appropriated funds for the Services.

E.15. Taxes. Buyer is generally exempt from any taxes imposed by the State of Florida or the Federal Government. Exemption certificates will be provided upon request. Contractor shall not include any state, local and federal taxes in any prices quoted to Buyer.

E.16. Right of Setoff. Buyer may, in addition to other remedies available at law or equity and upon notice to Contractor, retain such monies from amounts due Contractor as may be necessary to satisfy any claim for damages, penalties, costs and the like asserted in good faith by Buyer (or any other local government entity or authority located in St. Johns County, Florida) against Contractor.

E.17. Retention of Records / Audits.

(a) Contractor must establish and maintain books, records, contracts, sub-contracts, papers, financial records, supporting documents, statistical records and all other documents pertaining to the Contract (collectively, the "Records"), in whatsoever form or format (including electronic storage media) is reasonable, safe and sufficient.

(b) Contractor must retain all Records for a minimum period of three (3) years after the final payment is made under the Contract. If an audit has been initiated and audit findings have not been resolved at the end of the three (3) year period, the Records shall be retained until resolution of the audit findings or any litigation which may be based on the terms of the Contract, at no additional cost to Buyer. Records shall be retained for longer periods when the retention period exceeds the time frames required by law or ordinance.

(c) At all reasonable times for as long as the Records are maintained, Contractor must allow persons duly authorized by Buyer (including Buyer's auditor and inspector general offices), and to have full access to and the right to examine, copy or audit any of the Records, regardless of the form in which kept. Contractor will not charge Buyer for any setup, supervision or space in connection with the examination and audit. Photocopying charges will not exceed the actual and reasonable cost of the copies to Contractor, and Buyer shall be permitted to bring his photocopying equipment if Buyer so desires.

(d) Consultant must comply with and cooperate in any audits or reports requested by Buyer and must ensure that all related party transactions are disclosed to the auditor.

(e) Consultant must permit Buyer to interview any of Consultant's employees, subcontractors and subcontractor employees to assure Buyer of the satisfactory performance of the terms and conditions of the Contract. Unless the parties agree otherwise or Buyer is willing to pay for the employee's reasonable travel expenses, the interviews will be conducted at the employee's primary place of work. Contractor will not charge Buyer for any employee time unless the interview time for that employee exceeds eight (8) hours in a calendar year.

(f) Following any audit or review, if performance of Consultant's, in the opinion of Buyer, deficient, Buyer will deliver to Contractor a written report of the deficiencies and request for development by Contractor of a corrective action plan. Contractor hereby agrees to prepare and submit, to Buyer, said corrective plan within ten (10) days of receiving Buyer's written report. Thereafter, Contractor must correct all deficiencies in the corrective action plan within a reasonable time after Buyer's receipt of the corrective action plan.

(g) All reports and other information provided by Contractor pursuant to this Section shall be submitted under penalties of perjury, under Section 837.06, Florida Statutes.

(h) Contractor must include the aforementioned audit, inspection, investigation and record-keeping requirements in all subcontracts and Contract assignments.

(i) Contractor agrees to reimburse Buyer for the reasonable costs of investigation incurred by Buyer for audits, inspections and investigations that uncover a material violation of the Contract. Such costs shall include the salaries

of investigators, including overtime, travel and lodging expenses, and expert witness and documentary fees. Contractor shall not be responsible for any costs of investigations that do not uncover a material violation of the Contract.

E.18. Indemnification. See Exhibit D.

E.19. Insurance. See Exhibit D.

E.20. Buyer's Right to Suspend Work. Buyer may in its sole discretion suspend any or all activities under the Contract by providing a written notice to Contractor at least five (5) days in advance that outlines the particulars of suspension. Within ninety (90) days of providing such notice, or within any longer period agreed to by Contractor, Buyer shall either (1) authorize the resumption of work, at which time activity shall resume, or (2) terminate the Contract in accordance with the applicable termination provisions. Suspension of work shall not entitle Contractor to any additional compensation. The parties will reasonably amend any schedules relating to performance of the Services to reflect the suspension of work hereunder. Contractor shall not be entitled to receive compensation for any work it performs after being excused from providing it hereunder.

E.21. Buyer's Right to Terminate for Convenience. Buyer reserves the right to terminate the Contract at any time and for any reason by giving written notice to Contractor. If the Contract is terminated for convenience as provided herein, Buyer will be relieved of all further obligations other than payment for that amount of Services actually performed to the date of termination. Access to any and all work papers will be provided to Buyer after the termination of the Contract. The parties understand and agree that Contractor shall not have a reciprocal right to terminate the Contract for convenience; it being understood that Buyer's payment for Services forms the consideration for Contractor not having this right. In the event of Buyer's termination of the Contract, Buyer (in its sole discretion) may also require Contractor to provide the Transition Services as set forth in Section E.24 below.

E.22. Buyer's Remedies Upon Contractor Default. Any one or more of the following events, if not cured within ten (10) calendar days after Contractor's receipt of written notice thereof, shall constitute an "Event of Default" on the part of Contractor: (1) Contractor fails to perform the Services within the time specified in the Contract or any extension, (2) Contractor fails to maintain adequate progress, thus endangering performance of the Contract, (3) Contractor fails to honor any other material term of the Contract, or (4) Contractor fails to abide by any statutory, regulatory, or licensing requirement. Buyer may extend the 10-day cure period in its discretion.

In addition, the following shall constitute an immediate Event of Default with no right cure: (i) Contractor is found to have made a false representation or certification in this Agreement, or (ii) Contractor has been placed on the list maintained under Section 287.135, Florida Statutes, of companies with activities in Sudan or in Iran Petroleum Energy Sector. Upon an "Event of Default" on the part of Contractor, Buyer will be entitled to terminate the Contract and pursue such other remedies available at law or equity, including the recovery of any re-procurement costs and delay damages. The rights and remedies available to Buyer under the Contract are distinct, separate and cumulative remedies, and no one of them, whether or not exercised by a party, shall be deemed to be in exclusion of any other. If, after termination, it is determined that Contractor was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience.

E.23. Contractor Remedies Upon Buyer Default. Buyer shall be in default if Buyer fails to honor any material term of the Contract, and such failure is not cured within forty-five (45) calendar days after receipt of written notice thereof from Contractor. In the event of Buyer's default, Contractor will be entitled to terminate the Contract and

pursue such other remedies available at law or equity as it deems appropriate. Except as expressly provided elsewhere in the Contract, Contractor will not be entitled to recover any lost profits or consequential damages. The rights and remedies available to Contractor under the Contract are distinct, separate and cumulative remedies, and no one of them shall be deemed to be in exclusion of any other.

E.24. Transition Services. At any time prior to the date the Contract expires or terminates for any reason (the “Termination Date”), Buyer may direct Contractor to provide reasonable transition assistance services (“Transition Assistance”). Contractor shall provide such Transition Assistance until such time as Buyer notifies Contractor that Buyer no longer requires such Transition Assistance, but in no event for more than 180 days following the Termination Date. Transition Assistance shall mean any services, functions or responsibilities that are ordinarily or customarily provided to a purchaser to ensure that the services provided to that purchaser by a contractor are fully transitioned in a smooth and efficient manner to a new service provider (either Buyer itself or a third-party contractor). Transition Assistance includes the development and implementation of a detailed transition plan. To the extent that Transition Assistance will involve third parties hired by Buyer, those third parties shall cooperate with Contractor in its provision of Transition Assistance and sign any reasonable non-disclosure agreements required by Contractor. Transition Assistance rendered before the Termination Date shall be provided at no additional cost to Buyer. Transition Assistance rendered after the Termination Date shall be provided at the rates negotiated by the parties prior to the rendering of such service, which rates shall not exceed the standard market rates that Contractor charges to government entities for comparable services; provided however, that if Buyer terminates the Contract because of a breach by Contractor, then (i) the Transition Assistance shall be provided at no cost to Buyer, and (ii) Buyer will be entitled to any other remedies available to it under law. Contractor may withhold Transition Assistance after the Termination Date if Buyer does not provide reasonable assurance that the charges for such Transition Assistance will be paid to Contractor in accordance with the invoicing and payment provisions of the Contract.

E.25. Force Majeure, Notice of Delay, and No Damages for Delay. Neither party shall be responsible for delays in performance if the delay was beyond that party’s control (or the control of its employees, subcontractors or agents). Contractor shall notify Buyer in writing of any such delay or potential delay and describe the cause of the delay either (1) within ten (10) calendar days after the cause that creates or will create the delay first arose, if Contractor could reasonably foresee that a delay could occur as a result, or (2) if delay is not reasonably foreseeable, within five (5) calendar days after the date Contractor first had reason to believe that a delay could result. Based upon such notice, Buyer will give Contractor a reasonable extension of time to perform; provided, however, that Buyer may elect to terminate the Contract in whole or in part if Buyer determines, in its sole judgment, that such a delay will significantly impair the value of the Contract to Buyer. Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. THE FOREGOING SHALL CONSTITUTE CONTRACTOR’S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY. No claim for damages, other than for an extension of time, shall be asserted against Buyer. Contractor shall not be entitled to an increase in the Contract price or payment of any kind from Buyer for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency arising because of delay, disruption, interference, or hindrance from any cause whatsoever.

E.26. No Waiver. The delay or failure by a party to exercise or enforce any of its rights under the Contract shall not constitute or be deemed a waiver of that party’s right thereafter to enforce those rights, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

Unless otherwise agreed in writing, Buyer's payment for the Services shall not release Contractor of its obligations under the Contract and shall not be deemed a waiver of Buyer's right to insist upon strict performance hereof.

E.27. Qualification of Contractor Employees, Subcontractors, and Agents. All Contractor employees, subcontractors and agents performing work under the Contract shall be properly trained and qualified. Upon request, Contractor shall furnish a copy of technical certification or other proof of qualification. All employees, subcontractors and agents performing work under the Contract must comply with all reasonable administrative requirements of Buyer and with all controlling laws and regulations relevant to the services they are providing under the Contract. Buyer may conduct, and Contractor shall cooperate in, a security background check or other assessment of any employee, subcontractor or agent furnished by Contractor. Buyer may refuse access to, or require replacement of, any personnel for reasonable cause. Contractor shall take all actions necessary to ensure that Contractor's employees, subcontractors and agents are not considered employees of Buyer. Such actions include, but are not limited to, ensuring that Contractor's employees, subcontractors and agents receive payment and any legally mandated insurance (e.g., workers' compensation and unemployment compensation) from an employer other than Buyer. As a condition to providing services to Buyer, Contractor (and any subcontractor) will enroll and participate in the federal E-Verify Program within thirty days of the effective date of the Contract. Proof of enrollment and participation will be made available to Buyer upon request.

E.28. Security Procedures. Contractor and its employees, subcontractors and agents shall comply fully with all generally applicable security procedures of the United States, the State of Florida and Buyer in performance of the Contract. Buyer agrees that any security procedures imposed by Buyer specifically for the Contract will be reasonable and will not impose any unreasonable costs or hardships.

E.29. Restrictions on the Use or Disclosure of Buyer's Information. Contractor shall not use, copy or disclose to third parties, except in connection with performing the Services, any information obtained by Contractor or its agents, subcontractors or employees in the course of performing the Services, including, but not limited to, security procedures, business operations information, or commercial proprietary information in the possession of Buyer. At Buyer's request, all information furnished by Buyer will be returned to Buyer upon completion of the Services. Contractor shall not be required to keep confidential any information that has already been made publicly available through no fault of Contractor or that Contractor developed independently without relying on Buyer's information. To ensure confidentiality, Contractor shall take appropriate steps as to its employees, agents, and subcontractors, including the insertion of these restrictions in any subcontract agreement. The warranties of this paragraph shall survive the Contract.

E.30. Protection of Contractor's Trade Secrets and Other Confidential Information. All documents received by Buyer in connection with this Agreement are subject to Chapter 119, Florida Statutes (the "Florida Public Records Law"). Any specific information that Contractor claims to be a trade secret or otherwise exempt from the Florida Public Records Law must be clearly identified as such by Contractor on all copies furnished to Buyer. Buyer agrees to notify Contractor of any third-party request to view such information, but it is Contractor's obligation to obtain a court order enjoining disclosure. If Contractor fails to obtain a court order enjoining disclosure within five (5) business days of Contractor's receiving notice of the request, Buyer may release the requested information. Such release shall be deemed for purposes of the Contract to be made with Contractor's consent and will not be deemed to be a violation of law, including but not limited to laws concerning trade secrets, copy right or other intellectual property.

E.31. Assignment. Each party binds itself and its respective successors and assigns in all respects to all of the terms, conditions, covenants and provisions of the Contract. Contractor shall not sell, assign or transfer any of its rights (including rights to payment), duties or obligations under the Contract without the prior written consent of Buyer. In the event of any assignment, Contractor shall remain liable for performance of the Contract unless Buyer expressly waives such liability. Buyer may assign the Contract with prior written notice to Contractor of its intent to do so. Nothing herein shall be construed as creating any personal liability on the part of any officer, employee or agent of Buyer.

E.32. Notice and Approval of Changes in Ownership. Because the award of the Contract may have been predicated upon Contractor's ownership structure, Contractor agrees that any transfer of a substantial interest in Contractor by any of its owners shall require Buyer's prior written approval, which approval shall not be unreasonably withheld or unreasonably delayed. By execution of the Contract, Contractor represents that it has no knowledge of any intent to transfer a substantial interest in Contractor. A substantial interest shall mean at least 25% of the voting shares in Contractor. This section shall not apply to (i) transfers occurring upon the incapacitation or death of an owner; (ii) transfers associated with an initial public offering on the NYSE or NASDAQ markets; or (iii) transfers to a company whose stock is publicly traded on the NYSE or NASDAQ markets.

E.33. Assignment of Antitrust Claims. Contractor and Buyer recognize that in actual economic practice, overcharges resulting from antitrust violations are in fact usually borne by Buyer. Therefore, Contractor hereby assigns to Buyer any and all claims under the antitrust laws of Florida or the United States for overcharges of goods, materials or services purchased in connection with the Contract.

E.34. Equal Employment Opportunity. The Equal Opportunity clause in Title 41, Part 60-1.4 of the Code of Federal Regulations (Paragraphs 1 through 7 of President's Executive Order 11246), the provisions of the Equal Opportunity for Individuals with Disabilities Act in 42 U.S.C. Section 12112, the Listing of Employment Openings for Veterans Clause in Title 41, Part 50-260.2 of the Code of Federal Regulations and the Disabled Veterans and Veterans of the Vietnam era Clause in Title 41, Part 60-250.5 of the Code of Federal Regulations, are incorporated herein by reference if and to the extent applicable. If Contractor is exempt from any of the above cited terms, written evidence of such exempt status must be provided to Buyer.

E.35. Other Non-Discrimination Provisions. Contractor represents that it has adopted and will maintain throughout the term of this contract a policy of nondiscrimination or harassment against any person with regard to race, color, sex (including pregnancy), sexual orientation, gender identity or expression, religion, national origin, disability, age, marital status, or any other impermissible factor in recruitment, hiring, compensation, training, placement, promotion, discipline, demotion, transfers, layoff, recall, termination, working conditions and related terms and conditions of employment. Contractor agrees that, on written request, it will permit reasonable access to its records of employment, employment advertisement, application forms and other pertinent data and records by the District for the purpose of investigation to ascertain compliance with the non-discrimination provisions of the Contract; provided however, that Contractor shall not be required to produce, for inspection, records covering periods of time more than one (1) year prior to the effective date of the Contract. Contractor agrees that, if any of the products or Services to be provided pursuant to the Contract are to be provided by a subcontractor, the provisions of this Section shall be incorporated into and become a part of the subcontract.

E.36. Prompt Payment to Subcontractors and Suppliers. The District shall adhere to applicable Local Government Prompt Pay Act provisions in Chapter 218, Part VII, Florida Statutes, as may be amended.

E.37. Conflicts of Interest. Contractor acknowledges that pursuant to Chapter 112, Part III, Florida Statutes, a public official who has a financial interest in a bid or contract make a disclosure at the time that the bid or contract is submitted or at the time that the public official acquires a financial interest in the bid or contract, including but not limited to the public official's name, public office or position held, bid or proposal number, and the position or relationship of the public official with the bidder or contractor.

E.38. Contingent Fees Prohibited. Pursuant to Section 287.055, Florida Statutes, as applicable, Contractor warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for Contractor, to solicit or secure the Contract and that it has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona- fide employee working solely for Contractor, any fee, commission, percentage, gift or any other consideration, contingent upon or resulting from the award or making of the Contract. For the breach or violation of these provisions, Buyer shall have the right to terminate the Contract without liability and, at its discretion, to deduct from the contract price, or otherwise recover, the full amount of such fee, commission, percentage, gift or consideration.

E.39. Truth in Negotiation Certificate. Pursuant to Section 287.055, Florida Statutes, as applicable, the execution of the Contract by Contractor shall be deemed to be a simultaneous execution of a Truth In-Negotiation Certificate, whereby Contractor states that the wage rates and other factual unit costs supporting the compensation hereunder are accurate, complete and current at the time of contracting. Further Contractor agrees that the compensation hereunder shall be adjusted to exclude any significant sums where Buyer determines the contract price was increased due to inaccurate, incomplete or non-current wage rates and other factual unit costs, provided that any and all such adjustments shall be made within one (1) year following the completion date of the Contract.

E.40. Compliance with Applicable Laws. Contractor (and any subcontractors) must comply with all applicable federal, state and local laws, rules and regulations as the same exist and as may be amended from time to time, including, but not limited to:

- a. Chapter 119, Florida Statutes (the Florida Public Records Law);
- b. Section 286.011, Florida Statutes (the Florida Sunshine Law);
- c. District Procurement Policy, as applicable; and
- d. All licensing and certification requirements applicable to performing the Services.

E.41. Cooperative Purchasing. Pursuant to their own governing laws, and subject to the agreement of Contractor, other entities may be permitted to make purchases at the terms and conditions contained herein. These purchases are independent of the agreement between Buyer and Contractor, and Buyer shall not be a party to such transactions.

E.42. Warranty of Ability to Perform. Contractor warrants that (i) it is ready, willing and able to perform its obligations under the Contract, and (ii) to the best of Contractor's knowledge, there are no pending or threatened actions, proceedings, investigations or any other legal or financial conditions that would in any way prohibit, restrain, or diminish Contractor's ability to satisfy its Contract obligations. Contractor shall immediately notify Buyer in writing if its ability to perform is compromised in any manner during the term of the Contract.

E.43. Warranty of Authority to Sign Contract. Each person signing the Contract warrants that he or she is duly authorized to do so and to bind the respective party to the Contract.

E.44. Governing State Law/Severability/Venue. The rights, obligations and remedies of the parties as specified under the Contract shall be interpreted and governed in all aspects by the laws of the State of Florida. Should any provision of the Contract be determined by the courts to be illegal, unenforceable or in conflict with any applicable law, the validity of the remaining provisions shall not be impaired. Venue for litigation of the Contract shall be exclusively in courts of competent jurisdiction located in St. Johns County, Florida.

E.45. Construction. Both parties acknowledge that they have had the opportunity to provide meaningful input into the terms and conditions contained in the Contract. Therefore, any doubtful or ambiguous provisions contained herein shall not be construed against the party who physically prepared the Contract. Article headings appearing herein are inserted for convenience or reference only and shall in no way be construed to be interpretations of text.

E.46. Inspector General. The State Auditor Inspector General's authority includes but is not limited to the power to: review past, present, and proposed District contracts, transactions, accounts, and records; require the production of records; and, audit, investigate, monitor, and inspect the activities of the District, its officials, employees, contractors, their subcontractors and lower tier subcontractors, and other parties doing business with the District and/or receiving District funds in order to ensure compliance with contract requirements and detect corruption and fraud. Failure to cooperate with the State Auditor Inspector General or interfering with or impeding any investigation shall be a violation of the Contract and applicable laws.

E.47. Ethics Provisions for Vendors/Suppliers. The bidder, by affixing its signature to the proposal form, and/or the acceptance of a purchase order, represents that it has reviewed the provisions of the District's procurement and ethics policies.

E.48. Employment Eligibility. The employment of unauthorized aliens by any respondent is considered a violation of Section 274A(e) of the Immigration and Nationality Act. In accordance with Chapter 2020-149, Laws of Florida, the Contractor confirms that it does not currently, and will not in the future, employ, contract with, or subcontract with unauthorized aliens and that it has registered accordingly with the E-Verify platform. Contractor acknowledges that any violation with the aforementioned will result in a default to the Agreement and the City shall be entitled to any and all relief available, including but not limited to, consequential damages, rebate of fees, costs and expenses, etc., resulting from the voiding of this Agreement.

E.49. Prohibition against Considering Social, Political or Ideological Interests in Government Contracting. Pursuant to Section 287.05701, Florida Statutes, as amended, Contractor is hereby notified that City in awarding contracts to vendors may not: (a) Request documentation or consider a vendor's social, political, or ideological interests when determining if the vendor is a responsible vendor; and (b) Give preference to a vendor based on the vendor's social, political, or ideological interests.

E.50. Scrutinized Vendors. Pursuant to Section 287.135(2), Florida Statutes, a company is ineligible to, and may not, bid on, submit a proposal for, or enter into or renew a contract with an agency or local government entity for goods or services of:

i. Any amount if, at the time of bidding on, submitting a proposal for, or entering into or renewing such contract, the Contractor is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, or is engaged in a boycott of Israel; or

ii. One million dollars or more if, at the time of bidding on, submitting a proposal for, or entering into or renewing such contract, the Contractor:

(1) Is on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List created pursuant to Section 215.473, Florida Statutes; or

(2) Is engaged in business operations in Cuba or Syria.

iii. Pursuant to Section 287.135(3)(a)4, Florida Statutes, the District may terminate this Agreement at the District's option if the Agreement is for goods or services in an amount of one million dollars or more and the Contractor:

(1) Is found to have submitted a false certification under Section 287.135(5), Florida Statutes;

(2) Has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List created pursuant to Section 215.473, Florida Statutes; and

(3) Is engaged in business operations in Cuba or Syria.

iv. Pursuant to Section 287.135(3)(b), Florida Statutes, the District may terminate this Agreement at the District's option if the Agreement is for goods and services of any amount and the Contractor:

(1) Is found to have been placed on the Scrutinized Companies that Boycott Israel List; or

(2) Is engaged in a boycott of Israel.

E.52. Discriminatory Vendor List. An entity or affiliate placed on the State of Florida discriminatory vendor list pursuant to Section 287.134, Florida Statutes, may not:

- submit a bid on a Agreement to provide any goods or services to a public entity.

E.53. Public Records. The District is a public agency subject to Chapter 119, Florida Statutes. The Contractor shall comply with Florida's Public Records Law. Specifically, the Contractor shall:

- a) Keep and maintain public records required by the District in order to perform the service.

- b) Upon request from the District’s custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.
- c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the District.
- d) Upon completion of the Agreement, transfer, at no cost to the District, all public records in possession of the Contractor, or keep and maintain public records required by the District to perform the service. If the Contractor transfers all public records to the District upon completion of the Agreement, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the Agreement, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the District, upon request from the District’s custodian of public records in a format that is compatible with the information technology systems of the District.
- e) It is the Firm’s practice to retain files for any concluded matter in electronic format and reserve the right to destroy all documents after they have been maintained for seven years, absent a written client request for such documents to be returned. By execution of this agreement, the District is requesting that all Firm files be returned and provided to the District to circumvent destruction of the files.
- f) During the term of the Agreement, the Contractor shall maintain all books, reports and records in accordance with generally accepted accounting practices and standards for records directly related to this Agreement. The form of all records and reports shall be subject to the approval of the District’s Director.
